

The General Grand Council of Cryptic Masons, Int'l
Presents
Special Offer

The two (2) volume books or set of the "History of the Cryptic Rite" written for distribution in 1931, has been out of print for almost 80 years. It's re-issuing, with a few editing updates, is now being considered for the membership, research advocates, State, Province, and International libraries.

We have developed several options of the re-printing and have completed comparative/competitive cost analysis to make a fair offer for the Council's membership consideration. This offer will be limited in scope, with only 500 sets to be printed. Your cost will be \$100.00 per set of two (2) books, plus shipping and handling. You do not have to pay at this moment since this is only a survey to determine the interest and printing level. The deadline for this special offer is December 31, 2009. You will be notified thereafter of your actual cost, printing schedule and delivery. Your commitment will be your payment.

If you are interested in purchasing the two (2) volume set of the "History of the Cryptic Rite", complete the form below and return to any General Grand Council Officer or send to: David A. Grindle, General Grand Recorder, PO Box 1087, Meridian ID 83680-1087. Email: ggr@ggccmi.org, Ph. No. (208) 870-8397.

I agree to purchase the two (2) volume set of the "History of the Cryptic Rite", 1931 Edition, for the approximate charge of \$100.00 plus shipping and handling.
